### TESTIMONIALS

**Less than six months of working with Dr. George, my migraine headaches and lactose intolerance went away. I can eat whatever I want now! His remedies have also been instrumental in helping me manage a chronic case of Epstein-Barr virus. Two years later, I am still amazed by the positive, long-lasting health benefits!"**

**"Thankfully, after years of trying endless prescription from my Jack Russell's vet that included steroids, Dr. George sent a remedy that cured a very persistent skin rash that would appear from time to time on my dog's feet, stomach and bottom of tail that included extensive hair loss. The remedy Dr George prescribed over 18 months ago got rid of the rash and it has not returned since-amazing!"**
